

Veterinary Assistant position at

Indian Prairie Animal Hospital 1195 South Frontenac Street, Aurora

Job Description:

Are you interested in pursuing a career in veterinary medicine!? Then the veterinary assistant position at Indian Prairie Animal Hospital might be the right fit for you!

Veterinary kennel assistants are responsible for the day-to-day care of patients and boarders. This includes feeding, water provision, cleaning, walking, bathing, and monitoring the well-being of dogs, cats, and other companion animals. Kennel assistants must have sufficient physical strength, mobility, and stamina to lift and/or move heavy pets and objects, the dexterity and confidence to administer medications, and the ability to monitor pets for signs of distress or disease. **It is essential that they have the ability and willingness to learn and the desire to provide gentle, compassionate care for boarded and hospitalized pets.** It is expected that a veterinary kennel assistant adheres to the following: Always be in position and prepared to work by the start of each scheduled shift. Maintain a professional appearance, show respect for clients, team members, and animals at all times. Assist other employees as needed. Participate in all staff and training meetings. Maintain strict confidentiality regarding clients and patients for whom the practice provides veterinary services.

We are an EEOC employer

Schedule: Must have some after school availability as well as must be able to work weekends and holidays.

All interested candidates please email or send resume to [ipahstaff@gmail.com](mailto:ipahstaff@gmail.com) attention Jackie.
